The Conference will draw from the church bank account monthly via ACH on either the 2<sup>nd</sup> or the 15<sup>th</sup> or the first business day after if those days should fall on a weekend/holiday.

- (1) Plan cost paid by the church for the covered individual based on the plan type.
- (2) Premium due to the church from the employee this is paid via payroll deduction. This amount reduces income (i.e., is pre-tax) **provided the church/employer adopts the West Ohio Conference Flexible Benefit Plan (Section 125 Plan) or another Section 125 Plan unique to the church/employer.** For 2022, individuals received a slight increase due to a shift in the cost sharing of overall premium.
